

In June 2014 the Mission Partnership launched a new range of resources for prayer. These resources are available in a variety of formats including bookmarks, leaflets, Facebook, Twitter and web sites.

The resources will include:

- A new **monthly cycle of prayer** which will suggest themes for each day and areas of the city to pray for - as well as towns and villages in the Borough.
- **Readings for each day** which will normally be taken from the ecumenical daily lectionary.
- A **reflection for each day** which is based on the reading.
- Other resources to help with daily prayer...
